Once done with the video and website think about the many option we have as artist to create the things we want to see. I want you to imagine what you would create if you felt extremely creative? Use the space below to write in your response. And extra page is left if you want to doodle while listening to the video

Think Like an Artist

Learning to think like an artist means:

- **looking at things more closely than most people do.**
- **finding beauty in everyday things and situations.**
- **making connections between different things and ideas.**
- **going beyond ordinary ways of thinking and doing things.**
- **looking at things in different ways in order to generate new perspectives.**
- **taking risks and exposing yourself to possible failure.**
- **arranging things in new and interesting ways.**
- **working hard and at the edge of your potential.**
- **persisting where others may give up.**
- **concentrating your effort and attention for long periods of time.**
- **dreaming and fantasizing about things.**
- **using old ideas to create new ideas and ways of seeing things.**
- **doing something simply because it's interesting and personally challenging to do.**
